

FISH 'N' TIPS

AUGUST 2019

PRESIDENT'S REPORT AUGUST 2019

Hello Everyone,

A very early newsletter this month as our Webmaster is off on another fishing escapade to North Queensland where they catch some monster size fish, so I am told.

As Frank is tripping away up north, another party has arrived back from a weeklong trip to Swains Reef, thanks to Mike Phillips.

I believe the fishing was a bit slower this year, but the boys still managed a great catch. We also have thirteen other members going to Evans Head for a fishing charter. Some for two weeks, but most are happy to just do one week.

The Outback Spectacular was our social trip out this month and was, as always, another special day to remember. The lolly trade on the way home was very well received.

I will be away with other committee members so we will have a couple of vacant seats up front on the General Meeting night. Our treasurer Trevor Plant is also away overseas at the Faroe Islands and is still catching fish.

Vic Herring will stand in as the Treasurer in Trevor's absence, so please make sure you pay any outstanding monies for tweed heads.

The normal end of the month barbecue is Sunday 29th of September 2019 at 4:00 PM

Regards Keith

WEIGHMASTER'S REPORT

AUGUST 2019

Each year thousands of people make their way to Fraser Island and stand on the beach for days in the hope of catching a tailor or two, but it seems funny that after travelling hundreds of kilometers in an effort to catch tailor , only very few people like the taste of the fish.

Tailor make their way to Bribie Island around August and many of us head out to Cook's Rocks to catch them but very few of us like the taste.

Tailor fillets do however, make great bait for big sharks. It was just the other day that Max West hooked onto something massive. Hoping that it may have been a ginormous cobia , Max continued the fight for well over forty five minutes.

The pain was unbearable but Max continued. The shark had led our crew for over a kilometre and Max had done as much as he could when he asked Frank to take over and raise the fish from the depths below.

Who would have thought that this tiny rod and reel could win the fight against a tree meter shark weighing in excess of 150kg

Our Final Recipient

The Bribie Island RSL Social Fishing Club recently donated “Clocks of Appreciation” to our ten most long standing and generous sponsors but Rodney Fleming from the Coffee Club was difficult to catch.

As many of our small businesses, the owners continue to be very involved in the day to day chores and Rodney was no exception.

Sheila Oostenbroek was lucky enough to catch Rodney for a few seconds to present him with this Clock

Random Photos

While Max and Adrienne were casually driving through the Cooktown bush, they came upon a man trying desperately to extinguish a small fire under the bonnet of his car but it was all in vein. Just minutes after the front of the car was ablaze and it wasn't long before the whole car was reduced to ashes

As Trevor and Rosemary embarked on their trip to Faroes, (just north of Scotland) there was only one thing on Trevor's mind and it wasn't long before he had caught his first haddock

THE OUTBACK SPECTACULAR

The Outback Spectacular has appeared on our social calendar for a number of years now and on each occasion the outing has been really worthwhile. The bus trip make life easy. All the stress of driving through heavy Gold Coast traffic has disappeared especially seeing that the entertainment includes a couple of quiet drinks.

The format hasn't changed in the last five years but the show never fails to touch the heart strings. The lighting and laser effects were amazing. You could easily be fooled for thinking that there was a river flowing across the floor and the photography and video effects really were spectacular.

The show ends with all the horses and riders parading in formation while holding the Australian Flag. If you had an ounce of patriotism in your body you could not help but shed an emotional tear.

We really do have a wonderful country.

The Bribie RSL Fishing Club provides a real service to the community by extending the hand

fisher men and women with a common interest, but also to the many residents of Bribie Island and the surrounding area who would otherwise lead a lonely existence. Currently our club has approximately eighty members of whom only twenty to thirty are regular fisher people. Without the ability to raise the necessary funds, our club would not be able to exist, so through the generosity of the Bribie RSL Club, members of our club are able to raise the finances required by conducting meat tray raffles on a Thursday night from June until January of each year. In addition, the Bribie Island RSL Club supports us in very substantial and significant ways – use of facilities at the Sports Club for our monthly presentation BBQ's, use of the ANZAC room for our monthly general meetings and very importantly, a \$25 voucher each month for our member's draw. Many thanks Bribie Island RSL Club – we really do appreciate your support.

Bribie Family Dental

Owners of Browns Mitre 10 on Bribie Island, Michael and Samantha Brown have very kindly agreed to support us by donating a \$20 gift card each month to be used as a raffle prize at our monthly general meeting. In addition, they have offered a 5% discount on all fishing, marine and bait goods when members show their Bribie Island RSL Fishing Club member identification at time of purchase. Browns Mitre 10 is a Wilsons fishing tackle distributor.

If members provide a Wilsons product number for the item they wish to purchase and it is not in store, Michael will order it for you. This is a great service. In addition, Michael has offered to provide better pricing for group buys or for certain high turnover items. Thank you, Browns Mitre 10 Bribie Island.
