

# FISH 'N' TIPS

October 2023

## *President's Report*

### *October 2023*

Hello everyone,

Another month closer to Christmas and getting busier by the day.

Our general meeting is later than normal due to our annual adventure trip to Rainbow Beach staying at the renovated Big4 Holiday Park at Carlo Point. An outstanding trip away with a little breeze and a slight cold snap, with a few fish caught by the anglers. Another great meal was had at Quay Carlo Restaurant by the water's edge. Socially the event was a little quiet owing to the size of the park, but I'm sure everyone had a great time.

We wish a speedy recovery to Ray Rogers who took a fall in Woody's "People's Palace on Water". A special mention to all who helped to make things a little less stressful, and easier on Heatherbell to get him home to recover. Please everyone remember to be careful at all times on moving boats.

Chicken and chips afternoon was another success in place of a BBQ at September's month end, so thank you to all involved and looking forward to our next BBQ on Sunday 29<sup>th</sup> October at 4pm.

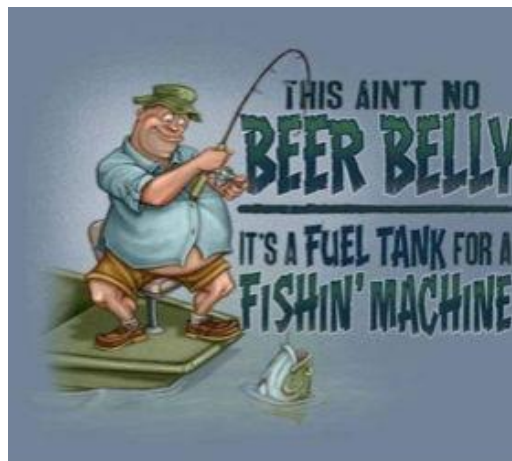

Somerset Dam comp will soon be upon us and looking forward to another break away.

We also had a postponed boat comp which we are going to endeavour to run mid-December before holidays start.

Please remember to send any photos or stories to Alison for the newsletter.

That's about all I have for now so hope to see you all at the general meeting on Monday 16<sup>th</sup> October at the RSL Garden Room 7pm.

**KK**

## Editor's Notes

Hi Everyone,

What a busy couple of months we've had. What with the Woorim whiting comp, the results of which are in this newsletter, along with photos as well. Also, the whiting and snapper comps throughout September. Richard has supplied those results, unfortunately there were no snapper weighed in for that month. Then we've just had the annual Rainbow Beach trek, with those results in this newsletter. Unfortunately, once again, no ladies weighed in, if the comp had been the day before, the results would have been very different.

We were to have the club morning tea in early October, but that has been deferred, with a date to be decided. And the second boat comp in the Passage has been deferred, with that date also to be decided.

So this month's newsletter is pretty full with photos from the various events, and I must thank all those who sent me their photos.

Steve King has supplied his report, and if anyone feels they can help out anywhere, please get in touch with him.

The next away trip is Somerset Dam in November, and that will be part two of the Jack Daley and Otto Scott trophies for freshwater.

That's about it from me once again, have a great weekend and don't forget the meeting on Monday night.

*Alison*

# Our Sponsors

Thank you to all our sponsors for the continued support.

Many of our Raffle Prizes have been donated from these businesses so make sure you support them when you can.

The Bribie RSL Fishing Club provides a real service to the community by extending the hand of friendship not only to fishermen and women with a common interest, but also to the many residents of Bribie Island and the surrounding area who would otherwise lead a lonely existence. Without the ability to raise the necessary funds, our club would not be able to exist, so through the generosity of the Bribie RSL Club, members of our club are able to raise the finances required by conducting raffles for meat and seafood vouchers on Thursday nights throughout the year. In addition, the Bribie Island RSL Club supports us in very substantial and significant ways – use of the ANZAC room for our monthly general meetings and very importantly, a \$25 voucher each month for our member's draw. Many thanks Bribie Island RSL Club – we really do appreciate your support.
